

JUN TANG

**CEO and Chairman of Gaotime Information Co. Ltd.
Honorary President of Microsoft China Co. Ltd.**

“For ordinary people like you and me **DILLIGENCE** and **PASSION** is our keys to open the doors of success.”

With years of experience as CEO and manager of several leading companies in China including Microsoft of China, Shanda Interactive Entertainment and Xinhua Du conglomerate, Jun Tang has earned the reputation as one of the best leaders and business talents in China.

From early on in his career Jun Tang strived and has later proven to be one the best within his area. By adhering to strong principles of diligence and determination Jun Tang rose from entry level engineer to the President of Microsoft in China. On top of this, he is the only person to receive Bill Gates Outstanding Management Award twice and to hold the title of honorary President at Microsoft.

Jun Tang is also a successful entrepreneur. During his time at Microsoft (10 years) he also successfully established his own software company named Wicresoft in 2002, which is still a major supplier of Microsoft today.

Jun Tang currently holds the position as CEO and Chairman of Gaotime Information Co. Ltd. - a well established financial information service company in China with recent expansion into fields such as business consultancy and stock listing etc.

In addition to his work as CEO, he also hosts a weekly financial TV show in China, has published several books on the topics of leadership, management and adding business value. He is also a very active public speaker and business coach for students and business people alike.
