

## DTU Patent Course 42799 ENROLMENT PROCEDURES

Monday, January 2, 2017. Vers. 17.02

### TIME

Monday 16 January 2017 until Friday 20 January 2017, both days included.

### PLACE:

building 450 room 105

### SIGN-UP PROCEDURES:

**DTU PhD students** including industrial PhD students  
Contact Pia Christoffersen ([pch@adm.dtu.dk](mailto:pch@adm.dtu.dk))

**Visiting students** (PhD students (including industrial PhDs) from other universities, all categories)  
You need to fill out the guest PhD student form. [Link is here](#). The PhD study Office (Pia Christoffersen) will then enroll you and give you access to CampusNet: our educational intranet at DTU.

**DTU employees** (teachers, researchers, AC-TAP personnel)  
Contact John Heebøll for enrollment, [johe@dtu.dk](mailto:johe@dtu.dk)

Priority will be given to PhD students in case of overbooking.

### Other guests

You sign up via "Single course student-scheme" or "Tompladsordningen".  
A tuition fee will be charged. [Here is a link](#) to the form.

Priority will be given to PhD students and DTU employees in case of overbooking.

Wednesday 11 January 2017, 12:00 noon is the absolute latest time for enrolment
