

Copenhagen School of Entrepreneurship invites you to our monthly Friday Networking Bar on **November 19 from 5-8pm**

The Friday bar is an informal networking environment, where you can meet the organizations within CSE, entrepreneurial minded students plus different business relations.

Normally the Friday bar is hosted by one of the CSE organizations. This time however, the CSE organization Venture Cup has joined together with DI and Væksthus Hovedstadsregionen to host a Friday bar to celebrate a successful [Global Entrepreneurship Week](#).

Everybody is welcome, but please sign up here: er@venturecup.dk. If you want to bring a friend or a business partner, please sign up that person as well.

The POWERbar takes place at:

Copenhagen School of Entrepreneurship
Howitzvej 60, 6.
2000 Frederiksberg

We are looking forward to seeing you!
