

DTU Innovatorium

– det begynder her

Danmarks Tekniske Universitet

What is DTU Innovatorium?

- A melting pot for student innovation and entrepreneurship
 - If you are working on a (potential) startup
 - Working with innovation, prototyping etc as part of DTU course
 - If you are looking for/working on an external project (Wall of Opportunities)
- ... or if you are just curious

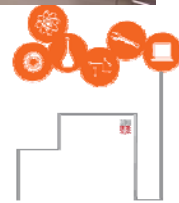

2 Danmarks Tekniske Universitet

Wall of Opportunities
